

THE MEMPHIS DAILY APPEAL--SUNDAY, OCTOBER 6, 1861.

Daily Appeal.

NEVER SAY FAIL.

Keep pushing—“tis wiser
Than sitting aside,
And waiting the glibbing;
And waiting the tide:
In life's early battle
They only prevail,
Who manly march onward
With never say fail.

With an eye ever open,
And a heart that does not shun,
And a heart that will never
To serve succumb:

You'll battle and conquer
The world's broad fields afar;

High shore and lowly height
Who never say fail.

The spirit of angels
Is active I know,
As higher and higher
In glory they go;

More noble and plainer
From heaven they sail,

To cheer and encourage
Who never say fail.

Ahead then keep pushing,
And elbow your way,
Unleashing the envious;
And all the world says:

All obstacles vanish;

All enemies quail;

In the might of their wisdom,
Who never say fail.

In life's early morning,
With a spirit of fire and pride,
Let this be your motto:
Your footstep to guide,
In storm and in sunshine,
Whatever assails,

We'll march and we'll conquer,
And never say fail.

THE MASKED BALL.

HOW VERD'S OPERA OF THE MASKED BALL
CAN BE LOCATED IN AMERICA.

Verdi's opera was first performed in Italy, and despite the obstacles which for a long time postponed its production, and obliged the author of the libretto to make numerous alterations, it was highly successful. The story is that the author, encouraged by Somma, the author of the libretto, before the *Ballo in Maschera* could be made acceptable to the exigencies of the Italian public, had under his direction, the author of the libretto, who, under his direction, had composed the music, in the place, somewhat surprising that Signor Somma, who is an experienced writer for the Italian stage, and perfectly acquainted with the hypocritical tendencies of the public, had given up his right to the composition, to Somma, the author of the libretto, and turned himself with the notion of obtaining permission to produce, at Naples, a drama founded on the legend of the secret powers to govern the world.

"But if Annelia sings her husband is sure to recognize her," R. is midnight, and she wears a thick veil.

"To be sure!" To be sure!

"After the trio, the party separates."

Replies Vendoce, "I am going to tell her all about it, without making any mistake."

"Who is she?" echoes Sam, the second in command.

"That's none of your business," replies Renato, holding "but I think," such a look of alarm on his face, "that she is the woman for whom the government has sent me to find out who he is, conduct her to the outer border of the city."

"The enter-hauts of Boston, United States."
